

# MEMBERSHIP BENEFITS

- All members will receive a quarterly "NEWSLETTER" full of informative information regarding upcoming courses/workshops; semi-annual conference information; informative articles on topics of interest; updates from the State Department of Revenue, job openings, etc.
- Members receive discounted rates on semi-annual "Conference Registration" fees.
- Members receive first-hand information on upcoming courses, workshops and educational offerings throughout the State.
- Members receive information on related organizations upcoming conferences.
- First-hand news on legislative updates.
- But most importantly membership offers a "NETWORK" of people across the State working in the field of "ad valorem" taxation and property tax administration.

PUT ONE FOOT IN FRONT  
OF THE OTHER AND WE  
WILL GET THERE  
TOGETHER

Alabama Association of Assessing Officials  
(A.A.A.O.)  
Founded: 1981

### Semi-Annual Education Conferences:

Regular meetings of the AAAO are held semi-

annually, typically in March and July of each calendar year. At our semi-annual conferences you will find pre-conference courses offered by Auburn University's Center for Governmental Services, workshops and

seminars throughout the week relating to topics of interest for everyone: mappers, appraisers, support staff personnel, elected officials, etc., and the opportunity to network with fellow assessment personnel.

### Members' Impact:

Every member has the opportunity to get involved. The AAAO has several active committees from which to choose: Elections, Membership & Promotions, Summer & Winter Conference Committees, Constitution & Bylaws, Nominating, Legislative, Education, Newsletter, Honors, Audit & Joint Advisory. We strongly encourage our members to be active and help shape their future and ours.
